	<p>Group Power is your hour of power! This 60-minute barbell program strengthens all your major muscles in an inspiring, motivating group environment with fantastic music and awesome instructors. With simple, athletic movements such as squats, lunges, presses and curls, Group Power is for all ages and fitness levels. Discover results, discover Group Power!</p>
	<p>POP Pilates is a 55-minute Pilates class that goes along to the beat of the music, also known as a dance on the mat. Using only your body weight you will incorporate your core, upper body, lower body, cardio and stretching for flexibility. All movements have modifications - making this class inclusive for all fitness levels.</p>
	<p>SilverSneakers® CLASSIC: Increase muscle strength and range of movement, and improve activities for daily living. You will have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level. SilverSneakers® CIRCUIT: Experience standing, low-impact choreography alternated with standing upper-body strength work. This class is suitable for nearly every fitness level, and your instructor can adapt the exercises depending on your skill. SilverSneakers® YOGA: Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity. TAI CHI for Seniors : This class begins with a full warm up, moves on to Tai Chi movements for balance and stability, and concludes with a comprehensive stretch and relaxation period. You need it more than you know!</p>
<p>BARRE</p>	<p>Barre fitness classes offer low-impact, high-intensity workouts blending ballet, Pilates, yoga, and strength training to sculpt, tone, and strengthen the entire body.</p>
<p>20/20/20</p>	<p>20 minutes of cardio-possibly on the Step, Bosu, or floor / 20 minutes of strength training – with the weight bar, hand weights, or resistance band and your body weight / 20 minutes of concentrated core, stretch and relaxation. End the week or start the weekend RIGHT!</p>
<p>YOGA</p>	<p>Clear your mind and breathe while you lengthen and strengthen your muscles. The various poses are intended to have a positive impact on your muscles and joints. The pace and flow of the class should leave you feeling relaxed and refreshed. Your body needs it.</p>
<p>YOGA'LATES</p>	<p>A fusion of yoga and pilates - slow controlled movements intended to maximize the use of your core stabilizing muscles are combined with stretch and relaxation techniques. "NOT TO BE MISSED!"</p>
<p>STEP & PiYO</p>	<p>A combination of 30 minutes of STEP aerobic movement (using a Step, or not – modify as needed) and 30 minutes of PiYo (combines the muscle sculpting benefits of Pilates with the strength and flexibility advantages of yoga) with cranked up speed and fluid transitions, you will get your heart-rate up, sweat, and stretch on – in each workout! Don't be afraid – you CAN do it!</p>
<p>INDOOR CYCLING</p>	<p>Indoor cycling (or spin) classes are high-energy, 45-minute group cardio sessions on stationary bikes, featuring music-driven, instructor-led intervals of climbing and sprinting.</p>
<p>CARDIO& CORE</p>	<p>45-minute cardio/toning workout that gets your sweat on and your blood pumping! Modifications are available for all fitness levels, from beginner to those needing an extra challenge, this is right for you!</p>
